UnitedHealthcare Senior Care Options is a Coordinated Care plan with a Medicare contract and a contract with the Commonwealth of Massachusetts Medicaid program. Enrollment in the plan depends on the plan's contract renewal with Medicare. This plan is a voluntary program that is available to anyone 65 and older who qualifies for MassHealth Standard and Original Medicare and does not have any other comprehensive health insurance, except Medicare. If you have MassHealth Standard, but you do not qualify for Original Medicare, you may still be eligible to enroll in our MassHealth Senior Care Option plan and receive all of your MassHealth benefits through our Senior Care Options program. Limitations and exclusions apply. Food, OTC and utility benefits have expiration timeframes. Call your plan or review your Evidence of Coverage (EOC) for more information. Other Pharmacies/Physicians/Providers are available in the UnitedHealthcare network. For accommodations of persons with special needs at meetings call 1-617-704-0309, TTY 711.
